## BL-ZW2

Marca: Codice del prodotto: BL-ZW2

**Short Description** Polarized Backlight

Polarizeu Dackright

## Descrizione

Equipped with an adjustable and also a removable polarizer, BL-ZW2 backlight offers parallel to cross-polarization and can transmit plain light by removing the polarizer. BL-ZW2 is designed to image birefringent properties for distinguishing anisotropic from isotropic materials, detecting defects, or examining internal stresses, making it suitable for industry, petrography, and biology applications.

| Specifiche       |                                          |
|------------------|------------------------------------------|
| Lighting         |                                          |
| Polarizer        | Yes (removable)                          |
| Compatibility    |                                          |
| Compatible with: | All Dino-Lite models                     |
| Housing          |                                          |
| Dimensions       | 10 cm (L) x 9 cm (W) x 2 cm (H)          |
| Weight           | 315 g                                    |
| Features         |                                          |
| ESD safe         | No                                       |
| Information      |                                          |
