

MS15X

Merk: Dino-Lite
Productcode: MS15X

Korte omschrijving

High precision X/Y table

Omschrijving

The MS15X is an advanced XY table that can be used independently or in combination with the RK-06A or RK-10A column stands.

The MS15X X/Y table base with detachable rotating table is designed for use with all sorts of applications that require fine examination in an X- and Y-axis movement. With the 360 degree rotating table, one can easily carry out all kinds of precision examinations. The MS15X can be used stand-alone or attached to the RK-06A and RK-10A stands (with the included C-Clamps)
